2022 GOALS

Relaunch our grocery van services after a long break due to Covid. We will have our van on the road 4 days a week by the end of March.

Purchase a 2nd van to accommodate our rapidly growing client base.

Enroll at least 50 Spanish-speaking older adults through our new outreach program.

Begin extending the Outreach Program to our Asian-American senior neighbors.

A Letter From Exacutive Director **Stephanie Lane**

"Count your age by friends, not years. Count your life by smiles, not tears." ~John Lennon

2021 was a year dedicated to getting back to the importance of friends and smiles, despite the obstacles the pandemic threw at the world. Many of us picked ourselves up, brushed off some dirt, and decided to create a new way to do life. Drive a Senior-ATX was able to create and build new supportive programs which helped keep aging adults safe in times where transition and innovation took over our lives. We pioneered new paths to happy healthy aging by ensuring 536 seniors received services through: medical rides, food access programs, a new Spanish program, vaccine access, and almost 5,000 friendly calls. We could not have accomplished this great work without our dedicated volunteers, generous donors, and incredible staff. Thank you to everyone who kept us going with your friendships and smiles, we look forward to another great year in 2022 of expansion and support to our rapidly growing aging population.
